Uniform Details

From the commencement of 2023, students can wear uniform suitable for the weather conditions. There will be no set summer or winter uniform cycle. Students **must**, however, wear uniform items from one 'season' and not mix and match.

We have also introduced the option for students to wear school boardshorts and a rash vest (long or short sleeve) for internal based swimming lessons and events. Students selected for external swimming events such as EISM will be required to wear the approved swimwear for the event.

The music students who are members of the Senior School performing music ensembles will require long school pants for performances.

The new uniform guidelines ensure all students can be comfortable and have choice without compromising the respectable standards of dress expected by the community.
